

Características técnicas:

Nº de referencia 47091

welding machinery and utilities

Marca: WILSON BYARD
Modelo: 2000T
Año de fabricación: 2007 used
Reconstruida:
Control:

Información adicional:

Spiral wound pipe welding machine

Pipe diameter range 500mm - 3000mm

Pipe thickness range: 5mm - 25mm

Pipe length: 6m - 20m

the Machine was put in operation in 2015

total production since 2015 only 4000t
