

## Data Sheet

Reference No.:46902

## uređaj za peskiranje

Brand: SCHLICK  
Model: ROTO JET MB 300 G  
YoM, approx.: 2005 used  
Reconditioned:  
Controls: elektronsko upravljanje

### Dimensions / weights

space requirements -front/back-: 2900 mm  
total height: 5500 mm

### Electrical specifications

total power consumption: 38 kW  
mains voltage: 400 V  
mains frequency: 50 Hz

### Additional Information:

Machine type: Trough belt blasting system  
with automatic assembly.

- Trough belt width 1200mm
- Trough conveyor Ø: 900mm
- number. Turbines: 8 pieces.
- Release speed: 75m/s
- Load max. 800kg
- max. part weight: 25kg
